Summer 2022 edition of Resolutions to Action

LCWR is pleased to be able to share the [Summer 2022 edition of *Resolutions to Action*](#). In her reflection, *Water & Environmental Racism*, Blair Nelson, executive director of

Waterspirit, a ministry of the Sisters of St. Joseph of Peace, draws a clear connection between sins against water and systemic racism, this nation's original sin. LCWR's commitment to anti-racism learning and our pledge to help dismantle white supremacy challenge us to look deeply at the causes and consequences of environmental racism.
