

# RISK THE SACRED JOURNEY

Each of us stands at the gate of tomorrow,  
facing the future.

At times, we have walked in wonder and awe;  
at other times,  
we have moved along in the flood of fear.

Looking back,  
we may recognize that amid the joys and  
struggles of this journey,  
we have been companioned by a grace-full Presence  
that has held us together and led us on.

This is simply not a journey through a  
string of days and years.

Rather this is a Sacred Journey,  
one that is revered and surrounded by Mystery.

Although we long for someone to translate  
the risks  
of this journey into logical explanations,  
we often find ourselves  
in the foreign land of faith.

We stand on the edge of our hopes and dreams  
and ask in trust to be led and supported  
by a Love and Energy  
much larger than we can imagine.

We ask to walk here in courage and integrity,  
as we attempt to discern  
the voice of God amid  
the cacophony of our doubts and fears.

To risk the journey and the face of the future  
is simply to walk in faith,  
for there are no words that capture  
the massive **Mystery** of God.

We stand, clothed in grace  
and showered with blessings.  
At times, we see the flecks of light;  
at other times  
we see only the shadows of the silhouette.

But always, both in our knowing and  
in our unknowing,  
we are escorted into tomorrow by Love,  
who gives us everything we need.
